

New and Obsolete Veterans Organization Decals

Implementation Date: July 1, 2013

New Legislation

The California Department of Veterans Affairs (CalVet) added 17 new Veterans Organization distinctive decals, including the “Support Our Troops Ribbon” decal, and eliminated 62 decals due to insufficient demand. Obsolete decals are no longer available for original Veterans Organization License Plates applications.

NOTE: Obsolete decals will be available **only** for applications for replacement plate(s) and/or decal orders until inventory is depleted. Notifications will be distributed as inventory for obsolete decals is exhausted.

Procedures

Continue to follow procedures in the *Vehicle Industry Registration Procedures Manual* §21.170 when processing applications for Veterans Organization License Plates. Refer to the attachments for updated lists of new and obsolete decals.

Background

Veterans Organization License Plates benefit the County Veterans Service Officers Fund used by local agencies to assist veterans and their families.
